Refer a business and you'll both be rewarded

Referral Program

We value our clients and the trust you place in Centr. Talent. To show our appreciation, we offer an incentivised referral program: refer another business to our recruitment services, and both you and the referred company can receive exclusive discounts.

How It Works

Refer a Business

Submit the referral using our online referral form. All mandatory fields must be completed to ensure the referral is valid and tracked accurately.

They Engage Our Services

The referred business signs up for any of our recruitment services or subscription offerings.

You Both Benefit

Once their engagement is confirmed:

- **Referring Client:** Receives 10% off your next recruitment service invoice.
- **Referred Business:** Receives 5% off their first service invoice.

Referral Process

1. Access the Centr. Talent Amplify Form online.
2. Complete all mandatory fields with both your business details and those of the business you are referring.
3. Submit the form online.
4. We'll confirm receipt via email and track your referral.
5. Once the referred business signs up and engagement is confirmed, the

discount will be applied.
